Rodney brought up the June 3rd, 4th, & 5th S.A.L. convention in Charlotte and wondered who will be going and also how much (if any) will squadron 49 pay? It was determined that Steve and Greg will be at the convention. It was determined squadron 49 will reimburse for registration fees plus the hotel rooms but not fuel costs. Big C lumber donated \$800.00 worth of sheetrock and the Bangor Legion donated labor to help complete Valor Training Center.
