

Hi Karin
Cleaning up some e-mail stuff
Not sure that I replied to this.
Thanks bunchies.

To me it is not just \$25.00. I remember a lady that did not even leave her name. Only thing I know was that she was from Grand Rapids area by the post mark on the envelope. She sent \$20.00 towards the wall with a statement It said:

Sorry this is only \$20.00 I just can not afford more Just want to help the vets. Many times I think of her as I am now. Just wonder what she went without to donate the \$20.00. What a great lady.

A big hug to you and her along with all that have/are helping in so may ways.

Karin putting this on our website at www.legionpost49mi.org under VETERANS WALL tab for all to see. With So many bad things going on around us all just want people to see there is also so much good.

Hi,

I just sent a check out yesterday for a donation toward the wall. It's only \$25, but I hope it helps!
