

Wondering if you can add something to the Legion website for me?

As of last week, there is a new law in effect for Veterans.

If they own their own home and claim the Homestead or Principle Residence Exemption on that home, and they have a 100% disability, or have an 80% disability and are unemployable, they are now entitled to a full exemption of their property taxes. (the exemption was previously available for only those that had specially adapted housing)

The forms are available on the State of Michigan web site. I can help anyone that needs assistance with the paperwork.

IF THEY WANT THE EXEMPTION FOR THE 2013 TAX YEAR (TAXES THEY HAVE PROBABLY ALREADY PAID) THE PAPERWORK NEEDS TO BE FILLED OUT AND TO THEIR LOCAL ASSESSOR BY DECEMBER 6TH.

Please let me know if anyone has questions.

THANKS!!!
