

Hi all

As of today 14 June 2011 we have collected with donations, Friday/Saturday Suppers and 50/50 \$38,997.38 towards the cost of the Veterans Memorial Wall. With no help from any government entity.

Pass the word we can sure use any donation any one can dig up.

Thanks to all that has been a part of this

The Hydro seed has been applied. The only thing to be done to finish the job is to put up 2 gates. Rework the hand rail. Plan as of now is to do this Friday.

You can still go outside by way of slider in club room and to the TIKI Hut by way of the Hall slider. Hope to be able to use all by the week end

When you are down to the Harborfest 15/16/17/18/and 19 June 2011 stop at the post can use your support plus best spot in town.

Jim Montgomery
